

How to apply decolonising treatment

Step 1 Wet skin and or /hair

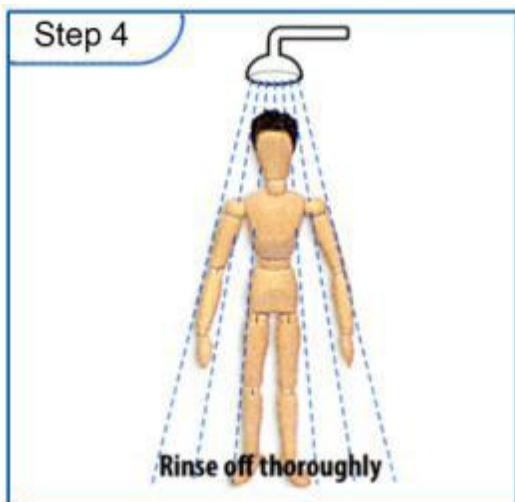

Step 2 Apply an adequate amount of decolonising treatment onto a washcloth

Step 3 Wash the whole body and/or hair observing the **recommended contact time of 1 minute**. Pay particular attention to armpits and navel (belly button). Do not forget behind ears, feet – in particular between toes – and the back.

Step 4 Rinse off

Step 5 Dry with a clean towel

Step 6 Put on clean clothing

Clean bedding is recommended at the beginning and end of the treatment if unable to change every day.
