

# Newsletter

Issue. 95

26 March 2021

Welcome to the latest edition of our newsletter for primary care. We issue this newsletter to general practice on a regular basis to give you the latest updates and guidance. This is in place of the Weekly Inbox, publication of which has been suspended.

**Previous issues** – with attachments and [other useful links and resources](#) can be found [here](#). Clicking this link will not just give you access to archived newsletters but enable to access all the past resources and separate attachments plus a wealth of other resources that may not be in the newsletters. So please give it a go!
