

Getting It Right First Time (GIRFT) warmly invites you to the **East of England regional webinar on 'Clinical Improvement and GIRFT' on 9th June at 12-1 pm.**

GIRFT is an NHS improvement programme designed to improve the quality of care within the NHS by **reducing unwarranted variations and sharing best practice between trusts.** Importantly it is led by **frontline clinicians and is collaborative across the multi-disciplinary team.**

This is a great opportunity for you all to meet **Dr Sarah Clarke, GIRFT Cardiology Clinical Lead and Clinical Vice President of the Royal College of Physicians** from Royal Papworth Hospital, **Dr Dalia Ludwig, a recent junior doctor** involved with GIRFT in Rheumatology, **Corinne Power, Head of Nursing at NHS England and NHS Improvement** and **Caroline Poole, Head of Allied Health Professions** and hear their experiences with opportunity to ask questions.

Key areas discussed:

What is Clinical Improvement?

What is Getting It Right First Time?

How can you get involved in improving clinical efficiency?

Please see the attached flyer to register.

A Certificate of Attendance will be available.

Please feel free to forward this invite.

If you have any queries, please email a.ridgeon@nhs.net (GIRFT Project Manager) or p.babu@nhs.net (GIRFT Clinical Fellow)
