

## DXS Update

### Latest updates to the DXS Professional section:

- **New** West Lipid Clinic Referral Form (SUF1776)
- **New** West Rapid Intervention Vehicle Referral Form (SUF1777)
- **New** Covid-19 Information in Other Languages (SUF1778) – this page provides a link to translated information on the Suffolk County Council Website including information on face coverings and Test and Trace.
- **New** Working Well Suffolk Initial Contact Form (SUF1779) – Work Well Suffolk provides support to those stepping back into employment. Further information can be found [here](#).
- **New** Sleepstation CBTi Referral Form (SUF1783) – this is an online CBT course for people with insomnia. Further information can be found [here](#).

### Update on referral form coding:

A technical issue at DXS led to coding inaccuracies on some referral forms. We believe the situation has been resolved but if you notice anything coding incorrectly back to the patient record please let us know using the contact details below.

### Contact details:

If you have any queries relating to the information on DXS, please contact [wscg.pathwaycontentfeedback@nhs.net](mailto:wscg.pathwaycontentfeedback@nhs.net).

For technical queries, please contact the DXS helpdesk by emailing [support-uk@dcs-systems.com](mailto:support-uk@dcs-systems.com) or phoning 0800 028 0004.
