Dr Anuj Patel, GP Partner
Wentworth Medical Practice
London, UK

Dr Anuj Patel is a GP Principal at Wentworth Medical Practice which is based over two sites (Finchley and Hendon). He has been a principle at this practice since 1998 having completed his training in 1997.

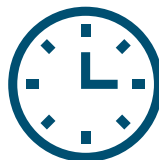

Dr Patel is currently the Chair of Barnet Federated GPs and has held this position since April 2017. Prior to this he was Medical Director for the local out of hours cooperative Barndoc from 1999 to 2013. He is also a GP appraiser and a GP tutor; he is passionate about the sustainability of quality, locally provided care, and the continuation of a compassionate, knowledgeable workforce for Barnet patients.

Naomi Campbell, RGN
Hydration Care Nurse Specialist
Hydration Care Consultancy Ltd
ROC Care Systems - Cornwall

Naomi is recognised as the UK's first Hydration Care Nurse Specialist and creator of the award winning ROC 'Reliance On a Carer' Hydration Care Assessment Tool, which is recognised to fulfil an unmet need in elderly care assessment. Naomi has been chair of the National Hydration Network (NHN) since 2016. In 2018 she founded her own hydration care company, now trading as ROC Care Systems; with a global mission to prevent 'avoidable' dehydration in elderly & vulnerable care. In 2020 she secured investment to develop a digital version of ROC and an online hydration care training programme. Naomi trained at St Bartolomew's Hospital London.
