

Reminder to sign up to The Link

Thank you to those of you who have already signed up to The Link, the uptake has been really positive. If you haven't signed up yet, please find all the information you need below.

The Link is for all our colleagues in primary care and we hope to develop the site over time to be a useful for everyone. The Link holds information on our referral process during COVID-19 and useful news updates. We are gathering information to share with you on our restart of services and will share this on The Link soon. We are also sharing more information on our Teledermatology project.

A website to keep you up to date with all the latest clinical news and updates.

ESNEFT have developed The Link to improve the direct communication between ESNEFT and primary care colleagues. The aim is to keep you up to date with the latest clinical and operational news from our hospitals in Colchester and Ipswich, and our community services in east Suffolk.

Right now, you can find the most recent information on our response to COVID-19. The information provided focuses on the changes to our services and updates on the recovery and restart process. All communication from ESNEFT will now be communicated via this site and we will update you when important changes are made.

With your help, we would like to develop the site over time to become a useful resource for our colleagues in primary care. Please email your feedback to thelink@esneft.nhs.uk

You can access [The Link here](#).

To keep the site secure, you will need to create a log in account.

Please complete the following steps to access The Link:

- Complete the registration form; including your contact details, practice name, email address. You can sign up using your nhs.net or nhs.uk email address.
- An email will be sent to you to verify your email account, please click verify.
- Once you have verified your email address you can log in and access information from ESNEFT
- Click the bell button at the bottom right hand side of the home page to allow notifications to be sent to you when we update key information. Don't worry, we'll try not to spam you.
- Please let us know what you think! Email us your feedback at thelink@esneft.nhs.uk
