

Developing Skills in Health and Social Care Project

The aim of this project is to empower employees to develop new skills, enabling them to continue providing high-quality care to local people.

This project is part-funded by the European Social Fund.

The developing skills in health and social care (DSHSC) project, will be providing **fully funded qualifications** to staff living and working in the adult health and social care sector across **Norfolk and Suffolk**.

The project will fund a range of specific qualifications, including:

- Functional Skills in Maths, English and IT
- Level 1 qualification embedding the Care Certificate and strengths based and person-centred approaches.
- Level 2 Units in Dementia, End of Life Care, Mental Health, Learning Disabilities and Autism.
- Bespoke Level 4 Aspiring Manager.
